PROFILE

Creative Designer & Multimedia Specialist with 5+ years of experience in branding, digital design, motion graphics, and 3D projects. Adept at developing end-to-end creative assets for marketing, social media, branding.

WORK EXPERIENCE

WebNexusTech 2021 - 2023
Senior Graphic Designer

- Collaborated on-site with cross-functional teams, taking ownership of major design and motion graphics projects from concept to final delivery.
- Mentored and guided junior designers, contributing to team growth while developing into a senior creative role.

Onigiri apparel 2023 - Present
Fashion Designer

- Developed complete fashion design concepts and detailed illustration artworks for Onigiri Apparel, translating creative ideas into wearable pieces while growing from a passion for art into a professional design career.

Kamssoft Technologies 2023=2024
3d artist/ Motion Graphics

- 6-month experience at Kamssoft Technology working on 3D and motion graphics, developing new skills in a challenging yet enjoyable professional environment.

Freelance 2019=2023
Video Editor/Graphic Designing

- Freelanced in video editing and graphic design, working with different clients to turn ideas into engaging visuals. I handled projects end to end, managed feedback, met deadlines, and adapted my style to fit each brand.
